MOTION

11. **Rehabilitation of Jere to Kurmin Jibrin Road and Kachia to Kwoi Road to Provide Alternative Routes to Travelers in Kaduna State:**
Hon Saleh Gabriel Zock:

The House:

Notes that the Federal Government recently re-awarded the contract for the reconstruction of Abuja–Kaduna Highway, which is expected to cause significant traffic congestion and delays for motorists;

Aware that the Jere to Kurmin Jibrin and Kachia to Kwoi roads serve as important alternative routes within Kaduna State and neighbouring areas, providing critical connectivity for travellers, local communities and economic activities;

Also notes that the roads have suffered prolonged neglect, inadequate maintenance, and harsh weather conditions, resulting in severe deterioration, posing safety risks to motorists and hampers the movement of motorists and travellers;

Concerned that the ongoing reconstruction of the Abuja-Kaduna highway will worsen traffic congestion, making it imperative to develop and rehabilitate alternative routes to ensure smooth and safe vehicular movement;

Cognizant that the rehabilitation of Jere to Kurmin Jibrin and Kachia to Kwoi roads will alleviate traffic congestion, improve road safety, reduce travel time, stimulate local economic growth, and enhance community welfare.

Resolves to:

- (i) urge the Federal Ministry of Works, the Federal Roads Maintenance Agency (FERMA) and North–West Development Commission to Rehabilitate Jere to Kurmin Jibrin and Kachia to Kwoi roads, address potholes, erosion, and other infrastructural deficiencies;
- (ii) also urge the Federal Ministry of Works to prioritise these road rehabilitation projects as essential alternative routes during the Abuja-Kaduna highway reconstruction to mitigate traffic congestion and include it in the 2026 budget estimates;
- (iii) mandate the Committee on Works and North–West Development Commission to ensure compliance.
