MOTION

1. Need to strengthen aviation safety following the NSIB report on the Air Peace runway overrun incident at Port-Harcourt International Airport.

Sponsor: Sen. Buhari, Abdulfatai (*Oyo North*)

The Senate:

Notes the report of the Nigerian Safety Investigation Bureau (NSIB) on the runway overrun involving an Air Peace Boeing 737-500 aircraft at the Port Harcourt International Airport on June 22, 2025;

Also notes that while no life was lost, the incident exposed critical gaps in safety standards, infrastructure management, and operational compliance within Nigeria's aviation sector;

Concerned that Nigeria has in recent years witnessed an increase in runway-related incidents, near-misses, and operational safety challenges that, if not urgently addressed, could undermine public confidence in the aviation industry and endanger lives;

Aware that the NSIB report highlighted deficiencies in runway condition, airfield lighting, pilot decision-making, and regulatory oversight which require urgent corrective measures;

Recognizes that aviation safety is vital to national security, economic growth, and international reputation, as Nigeria aspires to remain a hub for air transport in Africa; and

Commends the Nigerian Safety Investigation Bureau (NSIB) for promptly releasing its investigative report, thereby enhancing transparency, accountability, and the culture of safety within the aviation sector,

Accordingly resolves to:

- i. *Urge* the Federal Ministry of Aviation and Aerospace Development, in collaboration with the Federal Airports Authority of Nigeria (FAAN), to urgently implement the safety recommendations contained in the NSIB report;
- ii. *Also urge* the Nigerian Civil Aviation Authority (NCAA) to strengthen compliance monitoring, conduct routine audits of airport facilities, and enforce strict adherence to international safety standards by operators;
- iii. *Further urge* the Federal Airports Authority of Nigeria (FAAN) to prioritize rehabilitation of runways, provision of airfield lighting, and installation of modern navigational aids across the nation's airports, beginning with Port Harcourt International Airport; and
- iv. *Mandate* the Committee on Aviation to engage with all relevant stakeholders, including the NSIB, NCAA, FAAN, NAMA and airline operators, with a view to ensuring the full implementation of safety recommendations and to report back to the Senate within six (6) weeks.
