MOTIONS

15. **Re-committal of Clauses 4 and 9 of the National Identity Management Commission (Repeal & Enactment) Bill, 2025:**
Hon. Francis E. Waive:

The House:

Notes that the National Identity Management Commission (Repeal & Enactment) Bill, 2025 was passed by the House on Thursday, 22 May 2025;

Also notes that the provisions of Clauses 4 and 9 need to be amended to comply with the Federal Character Principles and Regional balancing in a manner consistent with Democratic Norms and Constitutional Safeguards, including the appointment of four (4) Executive Commissioners on a full-time basis;

Cognizant of the need to rescind its decision on clauses 4 and 9 of the National Identity Management Commission (Repeal and Enactment) Bill, 2025 to address Regional balancing;

Resolves to:

rescind its decision on Clauses 4 and 9 of the Bill and re-commit same to the Committee of the Whole for reconsideration and passage.

16. **Rescission of the Jurisdiction of the Committee on Safety Standards and Regulations:**
Hon. Francis E. Waive:

The House:

Notes that on Wednesday, 29 October 2025, the report of the Committee on Rules and Business on the Further Review of the Standing Orders of the House of Representatives (Eleventh Edition) was considered and approved;

Aware that the review became necessary to establish the jurisdictions of newly created Committees, moved some jurisdictions to other Committees to strengthen the Committees;

Recalls that the oversight of the safety related activities of the Nigeria Social Insurance Trust Fund (NSITF) and that of the Standards Organization of Nigeria were moved to the Committees on Safety Standards and Regulations;

Also recalls that such oversight was under the Committees of Labour, Employment and Productivity and Industry, respectively;

Cognizant of the need to avoid jurisdictional conflict and overlap among the Committees of the House;

Resolves to:

rescind its decision of Wednesday, 29 October 2025, and reassigns the oversight of security related activities of the Nigeria Social Insurance Trust Fund (NSITF) to the Committee on Labour and Productivity and Standards Organization of Nigeria (SON) to the Committee on Industry, respectively.

17. Call for the Review and Reform of the Contributory Pension Scheme (CPS) to Enhance Retirees' Welfare:

Hon. Afupe Moruf Afolabi:

The House:

Notes that the Contributory Pension Scheme (CPS), established under the Pension Reform Act of 2004 and amended in 2014, was designed to secure retirement benefits for Nigerian workers through contributions from employers and employees;

Aware that the Pensions Funds are managed by Pension Fund Administrators under supervision of the National Pension Commission to ensure regular and reliable pension payments to retirees;

Worried that despite the aim of the Contributory Pension Scheme, most retirees are faced with hardships due to meager pension payments, resulting in widespread poverty among senior citizens;

Observes that the structure of the Contributory Pension Scheme limits retirees to receiving only 25% of total pension savings as a lump sum, with the remaining 75% retained by Pension Fund Administrators (PFAs) for investment, yielding disproportionately low returns;

Disturbed that the Contributory Pension Scheme has failed to address the harsh economic realities faced by retirees, such as increasing inflation and living costs, alongside the lack of transparency in pension fund management which has led to distrust among retirees;

Also disturbed that the disparity between the treatment of retirees under the Contributory Pension Scheme and Defined Benefit Scheme (DBS) raises concerns of equity and fairness.

Resolves to:

- (i) urge the Ministry of Labour and Employment to collaborate with stakeholders to reform the Contributory Pension Scheme, aiming for a fair, sustainable, and dignified pension system;
- (ii) also urge the National Pension Commission (PENCOM) to enhance oversight of Pension Fund Administrators by imposing stricter regulations and transparency measures, ensure equitable returns on investments, prioritizing the interests of retirees and implement measures to provide retirees with greater control and flexibility over their pension funds;
- (iii) further urge the National Pension Commission (PENCOM) to address non-remittances of pension contributions by employers, impose stricter penalties and ensure full compliance;
- (i) mandate the Committee on Pensions to investigate the inadequacies of pensions Funds Administrators and challenges affecting Pension Fund Administration and Intelligence to ensure effective coordination and sustained security presence in affected areas and report within four (4) weeks for further legislative action.

18. Need to Determine the Boundaries between Communities in Akpugoeze, Oji Local Government Area and Orumba North Local Government Area of Anambra State:

Hon. Anayo Onwuegbu:

The House:

Notes that some Communities in Oji River Local Government Area, Enugu State are situated in the border area between Enugu State and Orumba North Local Government Area, Anambra State;

Also notes that the Oji River Communities are the ancestral owners of the Mmamu forest reserve and farm settlement in the border area;

Aware that the indigenes of Oji River clans leased part of the land to Ukwuenu Aro settlers, who later developed into smaller Communities known as Ubani, Ozu, and Okpeze (now Ukwuenu Communities), with the inhabitants being customary tenants to Akpugoeze clan paying royalty to the owners of the land;

Also aware that the tenancy status of these communities is documented in 1911 and 1933 Tenancy Agreements;

Concerned that despite the National Boundary Commission and Office of the Surveyor General of the Federation's awareness of the dispute, and the meetings held by both State Governments with concerned Communities, which led to the establishment of a Joint Field Team (JFT) on December 15, 2006, to resolve the lingering boundary delineation process, the process has been unduly delayed.

Worried that the delay has caused hardship to the true and ancestral owners of the area, who accommodated their brothers only for them to lay claim to the land;

Resolves to:

- (i) urge the National Boundary Commission and Office of the Surveyor General of the Federation to carry out fieldwork and demarcate the boundaries between the Communities of Akpugoeze clan in Enugu State and Orumba North Local Government Area in Anambra State to resolve the interstate boundary disputes;
- (ii) mandate the Committees on Special Duties and Works to liaise with the National Boundary Commission and Office of the Surveyor General of the Federation to ensure the delineation process is completed within twenty-four (24) weeks;
- (iii) also mandate the Committee on Legislative Compliance to ensure compliance.

19. Need to Rehabilitate the Failed Portions of Port Harcourt – Owerri Federal Road Network in Rivers State:

Hon. Boniface Sunday Emerengwa:

The House:

Notes that the primary duty of government, as enshrined in Section 14(2)(b) of the Constitution of the Federal Republic of Nigeria, 1999 (as amended), is to provide for the welfare and security of its citizens.

Also notes that the Port Harcourt-Owerri Road, particularly the section cutting across Igwuruta, Omagwa, Isiokpo, Elele, and Omerelu communities in Ikwerre Local Government Area of Rivers State, is in a deplorable state.

Cognizant that the Igwuruta–Omerelu section of the road is a federal road under the maintenance of the Federal Government through relevant Ministries, Departments, and Agencies (MDAs).

Concerned that the road's poor condition has led to hardship for the immediate communities, prompting the Rivers State Government to undertake rehabilitation efforts in the past two decades.

Regrets that the road's condition has deteriorated, exposing commuters and motorists to armed robbery and kidnapping.

Acknowledges that the Port Harcourt-Owerri road is a critical route linking the North to the South, which now takes over four hours to traverse due to the poor condition.

Worried about the excruciating pains and untold hardship faced by commuters due to the unending gridlock on the failed portion of the road.

Disturbed that heavy-duty vehicles are forced to use alternative routes within communities, creating hazards for pedestrians and damaging internal roads.

Convinced that immediate intervention will restore confidence, improve security, and galvanize economic activities.

Resolves to:

- (i) urge the Federal Roads Maintenance Agency (FERMA) to carry out remedial work to ameliorate the plight of commuters and motorists;
- (ii) mandate the Committee on Federal Roads Maintenance Agency (FERMA) to ensure compliance and report within four (4) weeks for further legislative action.
