MOTIONS

10. **Extension of Time for the *Ad-hoc* Committee on the Investigation of Debts Owed to the Federal Government of Nigeria by State and Non-State Actors. Agencies and Parastatals Within and Outside Nigeria (HR.45/05/2026) Pursuant to Order 18, Rule 11(5) of the Standing Orders of the House of Representatives**
Hon. Bello Isah Ambarura:

The House:

Notes the resolution of 7 May, 2026 constituting an *Ad-hoc* Committee to investigate debts owed to the Federal Government of Nigeria by State and Non-State Actors, Agencies and Parastatals within and outside Nigeria;

Also notes that the Annual Recess and late response from Stakeholders affected the workings of the *Ad-hoc* Committee;

Recognise that the *Ad-hoc* Committee has commenced collation of submissions from relevant Stakeholders and currently working on the submission;

Worried that the dissolution of the Committee without the opportunity to discharge its mandate would leave the important issues necessitating its establishment unaddressed;

Cognisant of the importance of the investigation to revenue recovery, fiscal accountability and the protection of public resources;

Resolves to:

Extend the time limit of the *Ad-hoc* Committee for a period of ninety (90) days. Pursuant to Order 18, Rule 11(5) of the Standing Orders of the House of Representatives, to enable it discharge its mandate.

**11. Need for Electricity Generation Companies to Step Down Power for Host Communities:
Hon. Benedict O. Etanabene:**

The House:

Notes the need for every electricity-generating company to step down a reasonable amount of electricity to the host communities where such electricity is being generated before evacuation into the National Grid;

Aware that most communities where electricity is being generated live in perpetual darkness while the electricity generated from these communities lights up the nation;

Alarmed that power-producing host communities like Sapele, Ughelli, Ndokwa, and several others across the Federation who generate the electricity that sustains the national grid, yet the host communities are disproportionately marginalized by prolonged outages and are denied reliable access to their locally generated power;

Also aware that the host communities bear the brunt of the operational hazards of the companies operating in their areas, yet are denied the benefits of power generation within their communities;

Cognisant of the need for Generating Companies (GenCos), Transmission Company of Nigeria (TCN), and the Rural Electrification Agency (REA) to establish local substations and connect distribution lines (that is dedicated infrastructure or off-grid mini-grids) for every host community where electricity is generated for benefit to host communities;

Resolves to:

- (i) urge the Generating Companies, the Transmission Company of Nigeria, and the Rural Electrification Agency to urgently establish local substations and connect distribution lines for electricity-generation host communities;
- (ii) mandate the Committee on Power to ensure compliance.

**12. Need to Restore Suppressed State Constituencies of Njiriv and Yonov of Benue State
Hon. Austin Asema Achado:**

The House:

Notes that pursuant to sections 91, 112, 113, and 115 of the Constitution of the Federal Republic of Nigeria, 1999 (as amended), a State House of Assembly shall consist of three or four times the number of the seats the State has in the House of Representatives and shall be divided to reflect nearly equal population;

Also notes that in suits number FHC/MKD/CS/07/2026 and FHC/MKD/CS/235/2025, the Federal High Court, Makurdi Judicial Division declared that the present composition of the Benue State House of Assembly is improper and consequently ordered the Defendants in the suits to create additional constituencies of Njiriv and Yonov from the present and existing Gwer East/Gwer West Federal Constituency considering the proportion of its population against the other existing State House of Assembly Constituencies in Benue State;

Aware that, the court further ordered the National Assembly to forthwith approve and give effect to their creation/restoration by the Independent National Electoral Commission;

Concerned that the non-conduct of elections and other deserving activities into the affected constituencies amount to denial of the constitutional rights of the electorate to vote and be voted for, among other rights in the Benue State House of Assembly;

Also concerned that failure to give effect to the referenced judgments as ordered may undermine the rule of law, due process, and the supremacy of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) as contained in section 1(1) and (3). Acknowledging the constitutional powers of the House of Representatives and its oversight duties in ensuring adherence to the provisions of the Constitution of the Federal Republic of Nigeria, 1999 (as amended) and the rule of law generally;

Resolves to:

- (i) urge the Independent National Electoral Commission (INEC) to fully and immediately comply with the judgment of the Federal High Court in suits number FHC/MKD/CS/07/2026 and FHC/MKD/CS/235/2025 to conduct elections in the restored State Constituencies of Njiriv and Yonov of Benue State;
- (ii) mandate the Clerk to the National Assembly (CNA) to transmit the Certified True Copy (CTC) of this Resolution to the Chairman, Independent National Electoral Commission (INEC), the Attorney General of the Federation, and the Governor of Benue State for any and all actions in ensuring full effect is given to the orders of the Federal High Court;
- (iii) also mandate the Committee on Electoral Matters to liaise with the Independent National Electoral Commission (INEC) to ensure the full implementation of the judgment and report within four (4) weeks for further legislative action.
